SIX SENSES LAAMU
LAAMU ATOLL, MALDIVES

Warm, welcoming and full of charm Six Senses Samui is hidden away on a verdant peninsula in the north-east corner of Koh Samui, the most romantic of Thai islands, with jaw-dropping views across the Gulf of Siam, a beautiful sandy beach and award-winning restaurants.

Most guests come to relax, to spend long days lazing by the magnificent infinity pool or cocooned in a beautiful villa. When the time comes, Samui’s bustling markets, serene temples and spectacular waterfalls are within easy reach. Ang Thong marine park is a national treasure. Diving at Koh Tao is world class. It’s the perfect escape.

The pyramid of six spheres used to identify Six Senses Spas, represents the philosophy that is fundamental to the human experience:

The foundation spheres represent the three primary senses of sight, sound and touch. The second level balances upon this foundation by satisfying the more acute senses of taste and smell. The apex sphere symbolizes a sense of elation discovered only by balancing the first five - the unique experience of all senses elevated beyond expectations. It’s our mission to deliver spa experiences that are unique, memorable and very much beyond expectations.

SONEVA FUSHI
BAA ATOLL, MALDIVES

Soneva Fushi is the original desert island hideaway. Everything about it feels right. The seaplane arrival. The picture book palm trees. The perfect white sand. Secluded beachside villas within touching distance of pristine reef. Vast, sigh-inducing beds. Intoxicating aromas of the jungle inside your bathroom. Impeccable, intuitive service courtesy of Mr. Fridays who know what you want before you even know you want it.

It’s the kind of place that makes you feel like a child again. Bicycles to explore the island, never knowing when you might have to swerve to avoid rabbits, lizards or turtles. Watching movies in Cinema Paradiso with only the starlit sky above. Counting Saturn’s rings in the Observatory. Deciding between 60 flavours of ice cream. Or 11 types of pillow. Or 500 wines.

If the experiences are magical, the philosophy is simple. No news, no shoes. No pretensions either. From the moment you arrive you feel at home because Soneva Fushi is so comfortable with itself.

Koh Kood is Thailand as it was thirty years ago. Two hundred years ago. Untamed jungle, pristine beaches, fishermen going about their business as they have been for centuries. Ancient Siam, at peace with itself.

Only an hour's flight from Bangkok by private plane but so peaceful it could be a million miles away. Serene and secluded, it offers an unrivalled combination of luxury, environmentally-friendly design and unforgettable, authentic Thai experiences.

The 29 villas, built with sustainable materials and sympathy for the unspoilt beauty of the surroundings, are vast in scale. Located on the idyllic beach or sunny slopes in the rainforest, all have stunning infinity pools, impossibly chic furnishings and impeccable service courtesy of Mr. Friday private butlers.

Wherever you turn, Soneva Kiri inspires the imagination. Highlights include candlelit dinners at Khun Benz, probably the best Thai restaurant in Thailand, deep in the jungle and accessed only by boat. The Den, a manta ray-shaped hive of activity for children and a blessing for parents, the zero carbon Eco Villa, and spectacular treetop dining in The Pod.

Barefoot luxury at its best. No news, no shoes. Thai style.
Set on the tiny island of Naka Yai just off the coast of Phuket but a million miles away in terms of peace and privacy, Sanctuary by Six Senses is more than a destination spa; it’s an opportunity. The chance to stop the world and start again. To look at life with a fresh, healthier perspective.

Sanctuary is what you want it to be. A serene island on which to relax and enjoy a little ‘me-time’. The time and space in which to detox, lose weight, learn yoga or hypnotherapy techniques. An endless series of pampering treatments. Or simply the luxury of being able to escape the incessant ‘chatter’ of modern day life.

Everything about Sanctuary is dedicated to wellness. 61 private pool villas and villa suites are the essence of rustic chic. Luxurious, calming; at one with nature. Organic food inspires an inner sense of well-being. Four stunning spas (Thai, Indian, Chinese, Indonesian) offer blissful therapies in heavenly surroundings. Leading practitioners in every field of natural wellness help ever-smiling hosts foster a sociable, easy-going atmosphere. It’s the ultimate escape for people who lead stressful 21st century lifestyles.

The setting is epic. Phang Nga Bay with its fairy tale limestone rocks is beyond beautiful. And with such a view everything at Six Senses Yao Noi is touched with magic. The 56 villas gaze at the views, or float in the lush, green jungle – all have pools, privacy and deepest comfort. Long tail it into that view, kayaking along the ancient coastline and mangrove forests, rock-climb, dive and snorkel. Relax in the Six Senses Spa and enjoy a warm, smiling service; the exotic, organic food and wine and serenity of old Siam. Yao Noi island is only 40 minutes away from Phuket by speed boat and a short hop by helicopter.

Evason Phuket, set amongst tropical parklands, looks out to the Andaman Sea. Around 25 minutes from Phuket Town, it offers 260 guestrooms, suites and villas including 28 with private pool. All rooms have open-style bathrooms that create more space and light. Four restaurants face the Andaman, and serve Asian, Western, Thai, and Mediterranean cuisine.

The Six Senses Spa presents a comprehensive menu of treatments for holistic wellness, rejuvenation and beauty to Balance Senses.
